Hello all;

I am writing to inform you of two (2) upcoming opportunities for female students who reside in Franklin Township, offered by the Franklin Woman's Club (FWC). The FWC is a non-profit organization dedicated to promoting education, encouraging leadership and supporting community improvement projects through volunteerism. For each of these opportunities, students may attend any high school including those outside of the district.

The first opportunity is the "**Girls Career Institute (GCI)**" for high school juniors held June 3-6, 2019 on the Douglass Campus of Rutgers University, New Brunswick (**See attachments**). In this opportunity, participants will have a mini college experience exposing them to college life and various careers. (Students must be able to stay overnight in dormitories).

The deadline for GCI applications is **FEBRUARY 1, 2019**.

The second opportunity is **College Scholarships** for graduating female high school students. Scholarship applications and the corresponding application deadline will be posted on our club's website around March 1, 2019. Please visit www.franklinwomansclub.com for more information.

Please mail all applications to:
